CREATEC is a unique and exciting ultra high gloss surface that will bring any kitchen to life. CREATEC's UV coated high gloss finish allows your kitchen to shine and will leave a lasting impression.

For kitchen colours that project style and taste, yet remain comfortable and welcoming choose from CREATEC's modern colour palette, inspired by the latest kitchen trends. CREATEC's colour range gives you the freedom to mix and match colours to give your kitchen design its own individual flair.

CREATEC's advanced manufacturing process has revolutionised the way kitchen doors are designed and manufactured in Australia. With superior materials and advanced control systems you are assured of quality doors that will add value and character to your home. There are

no boundaries when using CREATEC, its ideal for use in vanities, custom-built joinery and wardrobe applications.

CREATEC doors are designed to complement polytec's product range including the new Eurograin and Finegrain melamine door finishes.

When selecting your bench top choose from polytec's LAMITOP range, which now has ten fresh new bench top prints, or use one of the many natural stone alternatives in the market.

You want your kitchen to be special, so look no further than CREATEC for a completely unique door that will set your home apart from all others.

CREATEC doors come with a 7 year warranty.
